

CAMP GAWK / BENDIGO 2026

OFFICIAL PERMISSION SLIP

No slip, no camp. We don't make the rules. We do, actually. But still.

CAMPER'S NAME: _____ CABIN: _____

I give permission for the above named adult to attend Camp Gawk. I understand they are a grown person with a job, a mortgage and a car, and that none of this will be evident on the day.

I accept they have been assigned a colour and a cabin, and that they will be competing against their own colleagues in that colour, which they have chosen to take seriously.

I have been told there will be a scoreboard. I have chosen not to ask further questions.

- ☐ I accept they may come home hoarse from chanting.
- ☐ I accept they may also come home a little worse for wear.
- ☐ I accept they will insist their cabin was robbed.
- ☐ I accept they will describe a tug of war in unnecessary detail.
- ☐ I understand the face paint may not come off by Monday.
- ☐ I am not responsible for what their camp counsellor tells them to do.
